## TELEPHONE INTERVIEW SUMMARY

Examiner Chuong T. Ho called the undersigned on January 10, 2008, to discuss the response after final office action filed by Applicant on January 2, 2008. Examiner noted that the Applicant's submission regarding the ineligibility of the Carlsson reference under 35 U.S.C. § 103(c) applied only to pending claims 49 and 53, and that these claims would be objected to as depending from rejected base claims, unless the remaining Section 102 rejections were resolved.

The undersigned agreed with the Examiner that the Carlsson reference is ineligible only with respect to the Section 103 rejections of pending claims 49 and 53. The undersigned reiterated that Applicant requests reconsideration of the rejections of the remaining claims in light of the arguments presented in the Applicant's response.

In follow-up phone calls on January 11, 2008, the undersigned and Examiner discussed claim 47 and figures 3, 5, and 6.

Respectfully submitted,

Daniel P. Homiller
